II. Catalog Description

Prerequisite: Successful completion of ESLS 026 or by placement. Academic English Reading and Writing Level V is the final course of a five-part series of ESL courses designed to prepare students for reading and writing at the college level. This course satisfied six credits of free elective and may satisfy the foreign language requirement for RVCC graduation only. Advanced Reading and Writing for Non-Native Speakers addresses the most advanced aspects of academic literacy and challenges students with the rigors of college-level discourse. Reading and writing are taught as related processes. This course emphasizes higher-order proficiency with the English lexicon, written expression, textual analysis, critical thinking, and information technology. Students in this course read college-level texts, both intensively for analysis and extensively for fluency, and write five-paragraph essays of various types.
III. Statement of Course Need

A. Academic reading and writing skills are the foundation of collegiate study, which ESL students are increasingly pursuing. Because all degree and certificate courses require successful completion of English I, and because RVCC is an open access institution, ESL students need intensive preparation for the reading, writing, thinking, and information skills required for that course. This five-level series of classes offers such intensive preparation.

B. This course does not generally transfer.

IV. Place of Course in College Curriculum

A. ESLS 201 Academic Reading and Writing V is the fifth of a five-level academic sequence in ESL. Students who place into Academic Reading and Writing V may also take an Academic Grammar course (level determined by placement test results) and an Academic Speaking and Listening course (level determined by placement test results).

B. English as a Second Language courses are necessary for the entry into/completion of any college level degree program.

C. To see transferability: a) for New Jersey schools, go to NJ Transfer website, www.njtransfer.org; b) for all other colleges and universities, go to the individual websites.
