II. Catalog Description

Prerequisites: Keyboard Skills 1 (MUSC 121) or permission of instructor. This course is a continuation of Keyboard Skills I, advancing the skills of keyboard playing, music reading and theory, keyboard techniques and appropriate repertory.

III. Statement of Course Need:

A. Keyboard Skills courses are an essential part of the music curriculum, for students pursuing either the musical arts or music education. This course permits students to gain the basic keyboard skills required for further serious music study. The course is designed for the music student with a limited background in keyboard playing or those whose musical performance area is not the keyboard. It is the second course in a four semester sequence of keyboard skills, required for music majors as an adjunct to their studies in
music theory, musicianship, MIDI and/or composition. The course is also appropriate for those interested in Early Childhood Education and in Music Therapy.
Keyboard Skills courses are standard offerings in community colleges and four-year institutions as they are also often desired by many community individuals for personal development and musical enrichment.
B. This class is taught in A-23, our electronic keyboard lab, and is essentially the application of musical skills, knowledge, creativity and performance at the keyboard.
C. Course transferability: Based on evaluations by the njtransfer.org website, this course transfers to most colleges as an Arts elective or a Free elective or as a keyboard proficiency course for music majors.

IV. Place of Course in College Curriculum

A. Free Elective
B. This course serves as a studio arts elective for AA Liberal Arts Majors
C. The course meets a program requirement for AFA Music
D. To see course transferability for New Jersey colleges and universities, go to the NJ Transfer website, www.njtransfer.org; for other colleges and universities, go to the individual college website.
